### 四、閱讀測驗

Dear Sirs ,

When I visited the Omaha Business Show last week , I saw your new Harrisonson- Fisher Laser Jet 4 Printer . I think this printer would meet the need of many of my customers.

I would like to order three LJ4s on 60-credit terms and at the same time establish similar terms for future purchases up to \$ 5 , 000 monthly. As I understand it , the printer is priced at \$ 1 , 100 plus \$ 50 for transportation , terminal checkout , and one ream of paper. This means that my first order would amount to \$ 3 , 450.

The Computer Place was established two years ago , and since that time we have grown very rapidly. My associates and I are convinced that the services and equipment we offer will be in increasing demand as businesses discover that only by applying sophisticated technology to their operations can they remain competitive.

For information concerning our financial responsibility and promptness in paying our obligations , I refer you to the following :
